

GLADSTONE PRIMARY SCHOOL

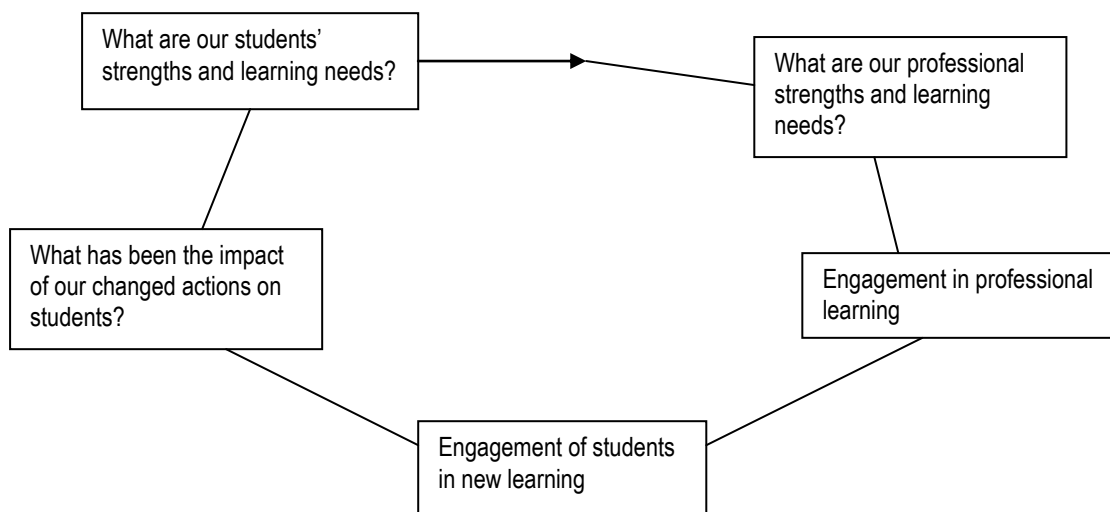

7. SCHOOL REVIEW

RATIONALE

1. To provide a framework for reviewing all aspects of the school's operations.
2. To ensure that effective self review systems are in place.
3. To gain valid information about how well the Board is governing and managing the school, as it works to enhance educational outcomes for all students.
4. To acknowledge what the school is doing well.
5. To use this information as the basis for planning to improve an aspect of the school's management or organisation.
6. To bring about continuous school improvement through effective governance and management.

GUIDELINES

1. The Self Review cycle based on the key question of inquiry and knowledge building as outlined below.
2. All policies, procedures and operations will be reviewed annually.
3. Review findings should lead to appropriate action to improve the quality of education offered at the school and to improved learning outcomes for students.
