

GLADSTONE SCHOOL 2022 FEES

USE THIS FORM IF ALREADY ENROLLED AT GLADSTONE IN ANY YEAR LEVEL

Alternatively, if this is the first time you have been to Gladstone please use the other form called "New Students". This applies to all year levels, 1 – 6.

We ask that you pay the compulsory charges at the start of term one as the specialist books are provided by the teacher in the first week of school. We would also appreciate the donation for term one however this is not compulsory. You will be emailed the status of your account in terms 2,3,4. Refer notes over the page.

SCHOOL DONATION 2022

Please note that the donation is voluntary. It does allow us to have extra facilities and in particular personnel that many other schools do not have. There is Tania our wonderful librarian, Bruce our IT guru, a Te Reo Specialist plus extra resources that our lucky school can provide all of which benefit the students.

OPTION ONE – payment per Annum

1 st Child	\$320 per annum
2 nd & subsequent children	\$280 per annum each

OPTION TWO – payment per Term

1 st child	\$80 per term
2 nd & subsequent children	\$70 per term

Donations are tax deductible - print & save your receipt at the time of payment.

The Edge may be accessed for online payments for the new school year from 17 January 2022 onwards. Regretfully we are unable to accept payments in advance.

HOW TO PAY

- (1) **Donations, fees and camp are to be paid online using The Edge.** Here you can view your child's financial records.
- (2) **Receipts** need to be printed by you *at time of payment*. It is your responsibility to keep your receipts if you need them for your tax return later in the year.
- (3) **To register with the Edge:** <https://parent.edgelearning.co.nz>
Enter your email address, and for first time users click on "I don't know my edge password". An email will then be sent to your email address. You can only have one email address loaded, so please select the one from which you will be paying your accounts. It also needs to match the email address you provided when enrolling your child.
- (4) You also need to be registered online with **KINDO** – a second online system which we use for other types of payments including Oscar fees, school trips, lunches and activities. We need two systems because neither one suits all our needs. Go to www.mykindo.co.nz Notices issued to students will clearly explain which online system to log onto.
- (5) Ask at the office if you require an **ONLINE PAYMENT GUIDE** which gives full instructions for both The Edge and KINDO. The Guide may also be located on the school website.

If you have any log on issues with the Edge email us for assistance:
